

The Community Development Department is open Monday thru Friday, 8:00 a.m. to 4:30 p.m.

To report complaints of trash, weeds, junked motor vehicles, or any other nuisance issues, please contact our office.

The Community Development Department is responsible for ensuring that consistent quality of property and building construction is completed for the safety of tenants and long-term value to property owners. The staff reviews building plans and issues building permits, along with performing building inspections.
