

Community Involvement

The Beatrice Police Department is involved in many community events throughout the year.

Our officers take pride in being a part of our community and developing a relationship with all of our citizens.

It is important to us that our citizens have this connection as a way for them to feel safer knowing our officers are doing all they can to protect them.

Citizen's Academy

The Citizen's Academy is designed to foster a better understanding of law enforcement and how Beatrice police officers work with the community to prevent, detect, and deter crime.

The classes provide a way to educate and develop positive relations with citizens. It's an ongoing process to...
