

On April 5, 2021, Midwest Area Refuse Solutions (MARS), operated by the City of Beatrice Sanitation Department began operations to provide regular, reliable collection of garbage to the citizens of Beatrice and rural customers in southeast Nebraska. MARS currently serves communities and rural customers in Gage, Jefferson, and Saline Counties.

Whether you are looking for recycling and garbage service, yard waste service, or you need a roll-off dumpster to complete a home project, MARS is eager to assist you.
