Customer Information

Name on Account: _____

Board of Public Works Account #: _____

Address: _____

City: _____ State: _____ Zip: _____

of bulbs requesting incentive for: _____ x **\$3.00** = \$ _____ **Total Incentive Requested**

I certify the Light Emitting-Diode (LED) bulbs, for which I am claiming an incentive for, are being installed in my home and in compliance with the guidelines of the program. The Board of Public Works reserves the right to verify purchases to ensure compliance.

Customer's Signature: _____ Date: _____

Program Guidelines

- The incentive is \$3.00 per LED bulb.
- Limit fifteen (15) incentives per account annually.
- Customer must apply for incentive within ninety (90) days of the purchase date shown on the sales receipt.
- Bulbs must be purchased on or after January 1, 2016.
- Copy of sales receipt must accompany the application.
- Lamps must be 9 watts or greater, ENERGY STAR® lamps are recommended.
- Incented bulbs may not be used for resale.
- At the Board of Public Works' discretion, accounts other than residential may be eligible to participate.
- The Board of Public Works provides incentives in the form of an account credit.

If you have any questions, please contact Erin Saathoff at the Board of Public Works, (402) 228-5211.
