

Library Services

The Beatrice Public Library provides a variety of services, including books, DVDs, audiobooks, free internet search services, periodicals, genealogy, and local history collections. Storytimes, book discussion groups for all ages, locally-produced exhibits, traveling displays, and cultural programs reflecting our diverse community -- there is something for everyone! The library is an active informational and educational service of the local government.

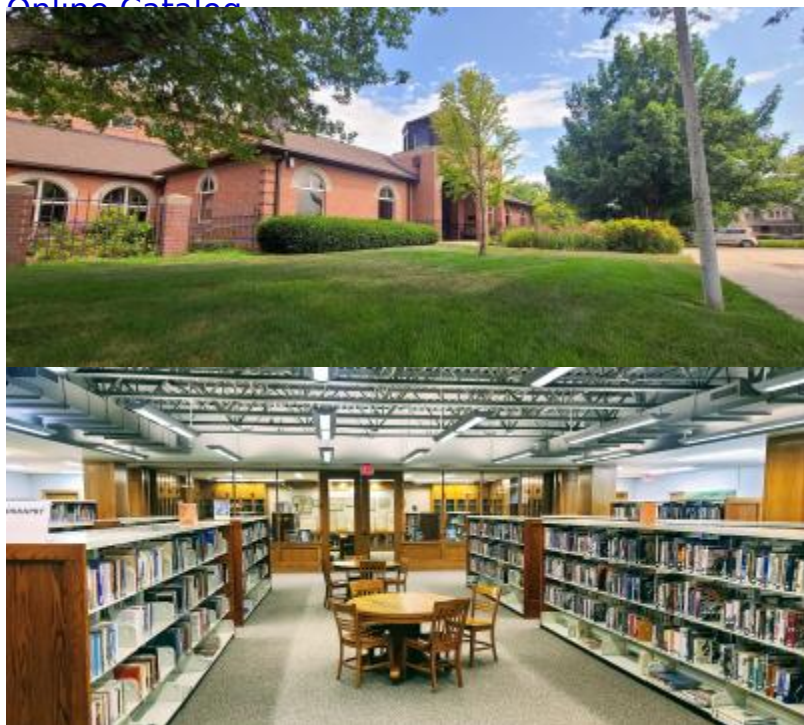

Mission

The mission of the Beatrice Public Library is to provide open and equal access to knowledge, ideas, information, and commentary from around the world with opportunities for personal, professional, cultural, and recreational enrichment to all individuals in their pursuit of lifelong learning.
